Dear Mr. Paul:

I enclose herewith two copies of the statement regarding the allegations made about Dr. J. R. Killian, Jr. by the Fulton Lewis people.

You will notice that these are almost like the statement you sent excepting that the narrative is changed to the third person and is signed by me instead of by Dr. Killian.

If you will let me know if this statement now meets with your approval, I will arrange for a copy of it to reach Congressman McCormack and a copy to reach Senator Kennedy.

Yours sincerely,

Philip T. Ketchum
